First year students, Gina Rogers and Lynn Carter, test their skills at pinball.

Students use the cafeteria and recreation areas for feeding their minds as well as their bodies.

The cafeteria offers a variety of foods for us to enjoy. This area is also used to study for last minute

"cramming" for tests, and conversing with friends.

Our game rooms offer pool, ping-pong, several video games, and tables for chess, cards, and studying.

Staff, Faculty, and students use the cafeteria to relax from their busy schedules.

Many students enjoy playing ping-pong during their breaks.

Students and teachers alike take time out for a game of chess.

First year students, Joe LaMontague, Todd Barnette, and Ron Phoebus, relax with a game of pool. (right center)

Pamela Howard, Laura Brown, Beth Clark, Missy Shivar and Deeane Jones, use the game room for playing a game of UNO. (bottom right)

AWAITING . . .

Parking Attendant, Larry Nissen, makes his first round for the day.

A NEW DAY

A long lonely walk.

Coffee break before class.

GRADUA

Our 1984 Spring and Summer Graduations were held at Kenan Auditorium at UNC-Wilmington.

Each Graduation marks the end of a long hard struggle for some and one or two easy years for others. We all share mixed feelings at Graduation.

Few of us breathe a sigh of relief, while others worry of what the future may hold.

During this time in our lives, we all appreciate the Staff, Faculty, and our Families, for making our Graduation exercises a special and memorable occasion.

Pat Roderick, SGA President, 1983-84, speaks to her fellow students for the last time.

Ti Kutz, served as Usher during Spring Graduation.

The Graduates final gathering!

TION . . .

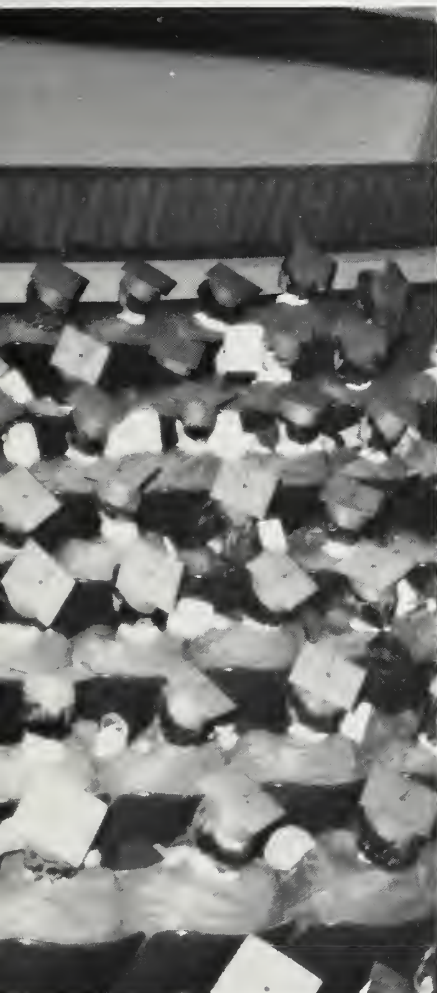

Ed Higgins, President, Faculty Association at CFTI, gives the welcome address.

Shirley King, Jenny Joyner, Rosemary Lewis, and Ti Kutz served as Ushers for Spring graduation

Carl Malpass congratulates the Honor Students during Summer graduation

FACULTY'S

ORIENTATION FALL 1984

For the first time, our Student Government Association was of great service during Freshman Orientation. The members gave up their time to help organize and see that things ran smoothly.

They were available for answering questions concerning school activities. These activities included, SGA, sports, yearbook, newspaper, and other general questions concerning the school.

The Orientation publication of the Sea Devil, was the best issue we have ever had. The issue contained a map of the school, where offices and rooms were located, as well as, other vital information.

We hope that their efforts helped and encouraged the new students as they began their quest for a higher education.

Students who helped at Orientation:
Seated (L to R): Tony Villone, Greg Nugent, Vince Hummel, Ti Kutz, Jenny Joyner, Kathy Reed.
Standing (L to R): Pam Jackson, Tom Farrell, Mary Fields, Ike Brown, Mark Kirshen.

During Orientation, Rick Stewart, with assistance from Cathy Reed, and Jenny Joyner, instructs students on how to fill out a school survey.

Mr. Malpass welcomes our new students.

President M.J. McLeod welcomes incoming students.

Mr. Malpass introduces the Administration who helps us in various ways: (L to R); Hubert Vincent, Tom Olson, Rick Stewart, Charles Hunnicutt, Henry Bethea, Mary B. Rea-Poteat, Naomi Randolph, Chris Zingelmann, Libbie McPhaul, and Joe Moorefield.

Tom Fisher, Tony Villone, Mary Fields, Mark Kirshen, and Ti Kutz are ready to assist new students.

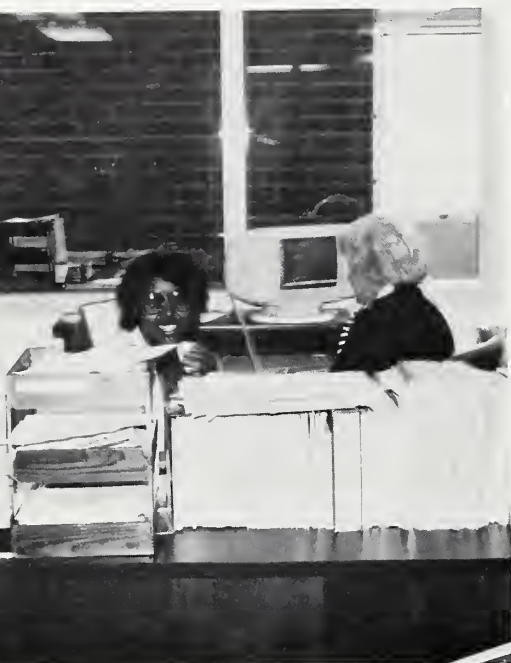

STAFF

WORKING . . .

Mary Lou Fedick mans the Admissions Office while others are on their lunch break.

Regina Lewis and Betty Northam work in the Registrars' Office. They are part of the internal workings which helps the school to maintain a record of all students.

Karen Downing does a fine job in the Bookstore, helping students with their book and school supplies selection.

Dorothy Flynn, our Switchboard Operator, answers all incoming calls, and makes sure all messages are promptly delivered.

"THE BRIDGE" would like to take this opportunity to pay tribute to the man who has done more to promote the growth of Cape Fear Technical Institute than any other person we know of. President M.J. McLeod has been with Cape Fear Technical Institute since its very beginning, when classes were held in an old building at New Hanover High School. Through the move to our present location — from the trials and tribulations of a school with growing pains — to the joys

and spiraling hopes of a school whose goals are being met and whose challenges are changing daily, President McLeod has been the leader whose foresight and expertise has led us to become a well-known, distinguished institution in the fields of business and technology, not only in the local community, but nationally as well.

For the guidance you have given us through these many years, WE THANK YOU!

Then Through
The Years . . .
We Grew . . .
And Grew . . .
Until We
Looked Like
This . . .

"BEGINNINGS OF THE MARINE PROGRAM"

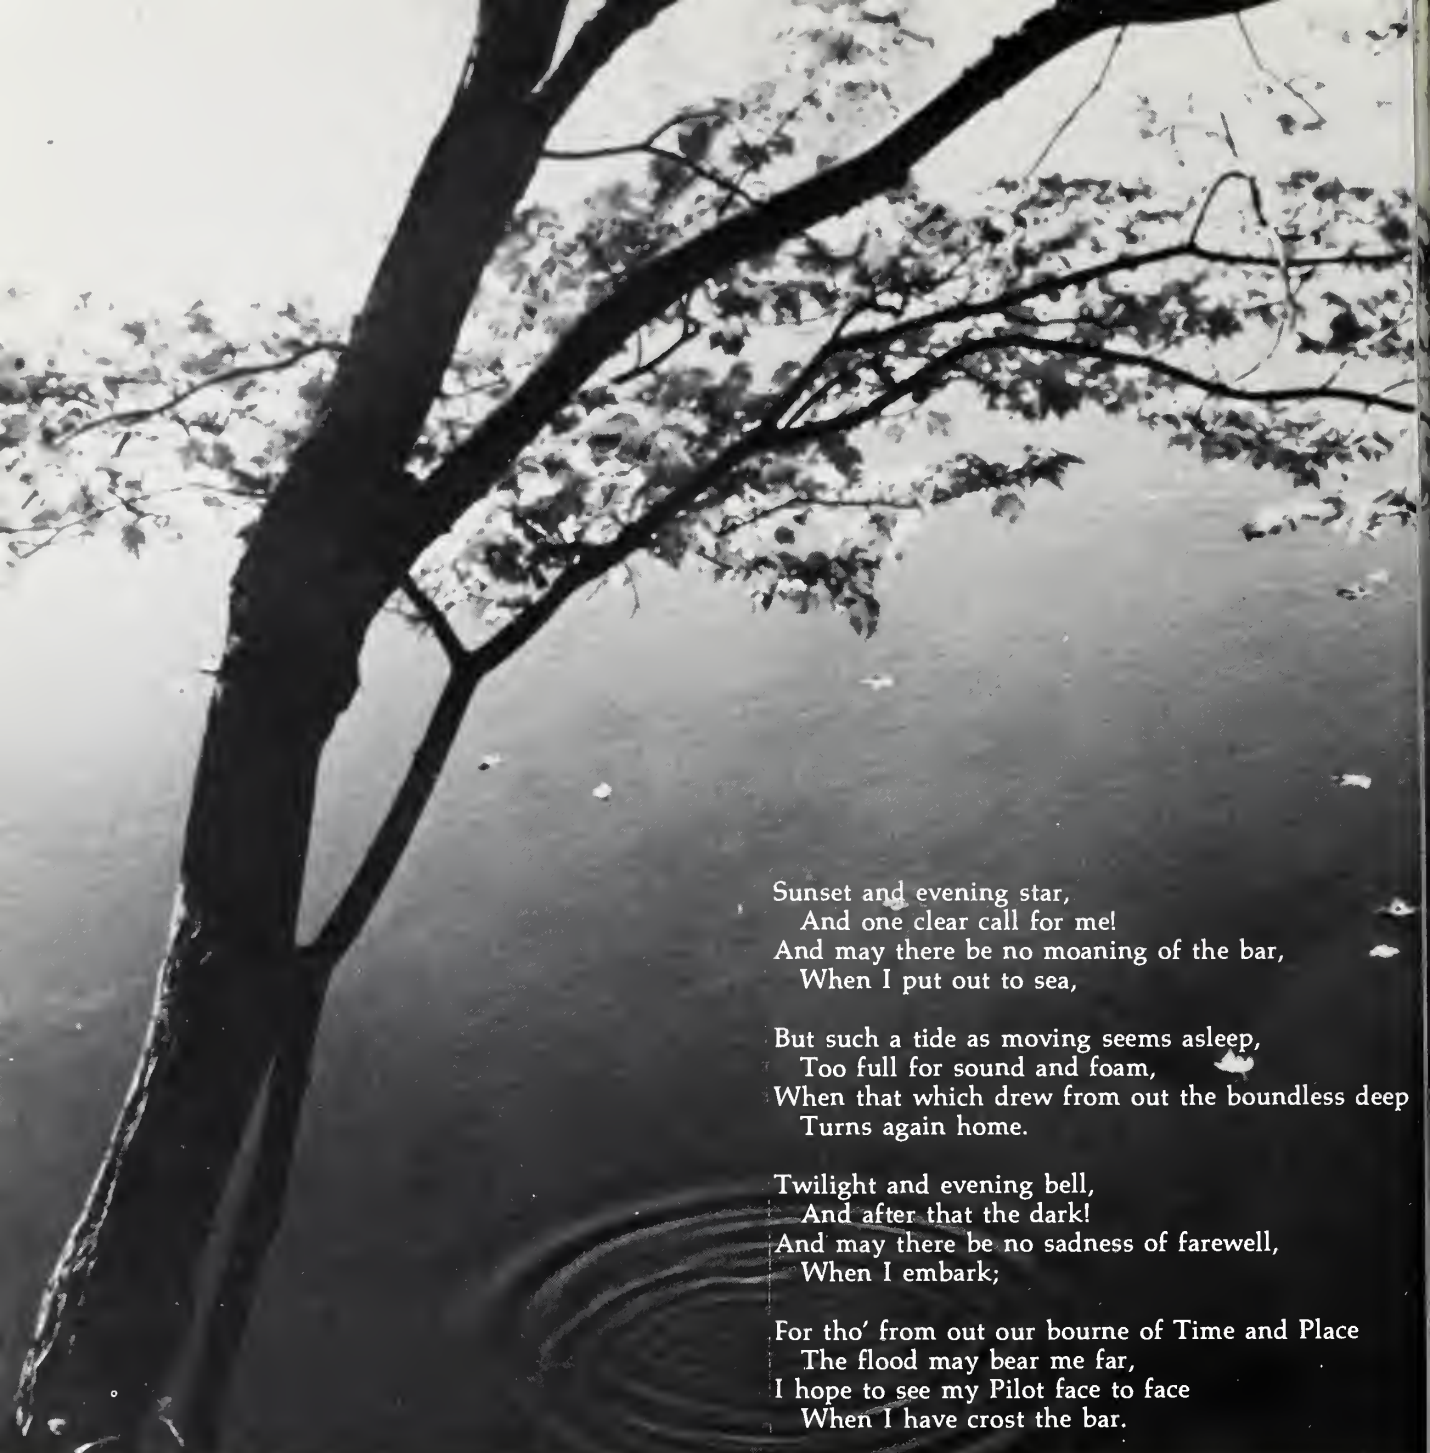

A younger Ed Foss, Head of the Marine Technology Program, tries out some new equipment on the S.S. Advanced II, during a Spring Cruise.

Captain of the Advance II stands ready to leave port.

"Bringing In
The Barge"
1972

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

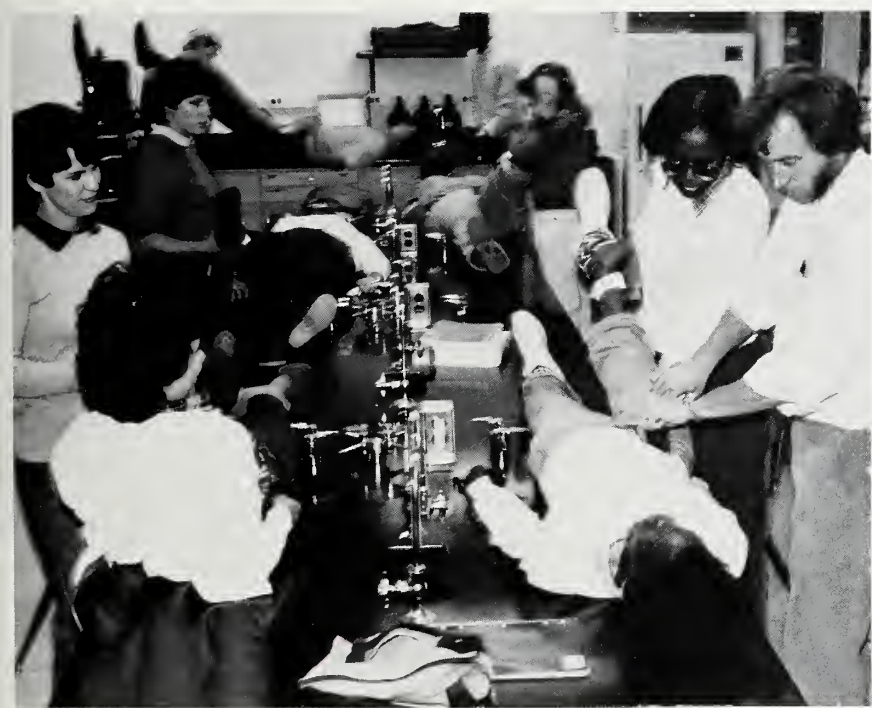

For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

STUDIES FIRST

HURRICANE DIANA

Hurricane Diana hit our shores in mid-September doing enormous damage to surrounding areas.

Cape Fear Tech's buildings proved to be some of the more fortunate in the area. Our only damage was done to the DAR Park across Water Street from the main building. Winds hit the blades of the windmill knocking them off their pedestal and the park's signs were knocked down. A number of small boats found shelter at our docks during the storm.

Coach Rick Stewqrt gives our team a pep talk during intermission at the Sampson Tech. game.

Player #5 makes that winning basket for C.F.T.I. during inter-collegiate play. C.F.T.I. played some good basketball this year, with team members ready, willing and able to do a great job!

Members of the Sea-devil Basketball team were:

Tim Johnson
William Camp
Tony Surratt
Rick Jacobs
Kenny Wilson
Danny Champion
Jack Jake
Ronald Stukes
Vernon Nixon
Dwight McCrae
Gino Frink

Our Men's softball team had a great year. They won in the Tournament and tied for first place for the season.

Congratulations guys!

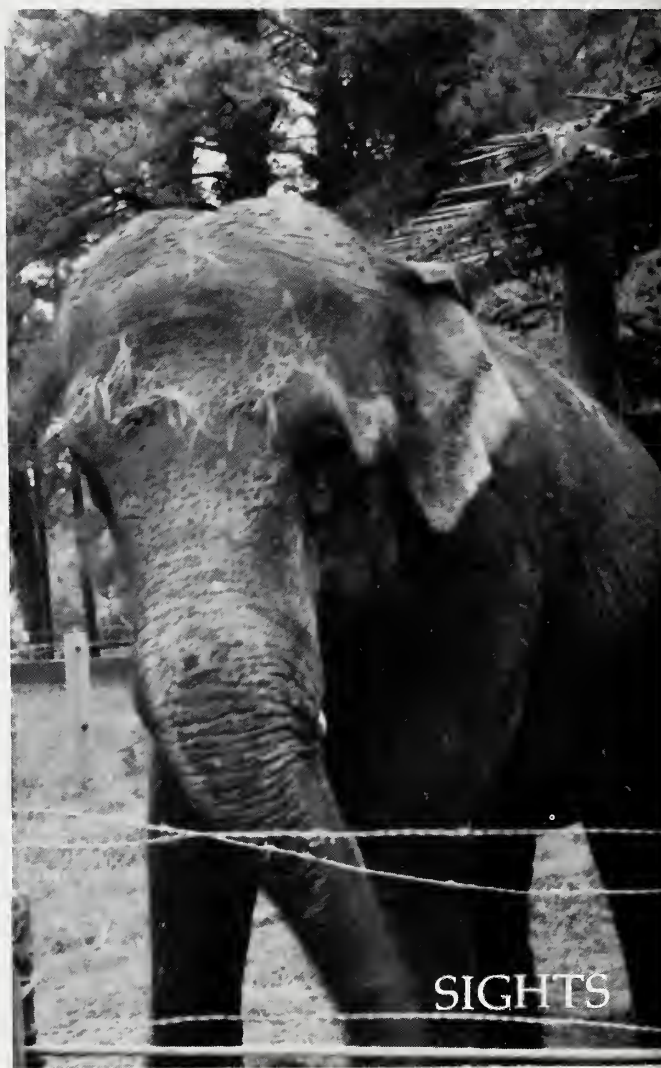

MEN'S SOFTBALL

WOMENS SOFTBALL

Our women did well again this year. They placed third in both the Tournament and in regular season play. Good work ladies!

ALUMNI ASSOCIATION

CAPE FEAR TECHNICAL INSTITUTE ALUMNI ASSOCIATION

Shirley King and Ms. Michelle Sieriewicz.
Members not present: Mr. William P. Facello, Mr. Kenneth Dale Henry, Ms. Lynn Fennell, Mr. John Melvin Williams.

On September 20, 1984 the Alumni Association Board of Directors met for the first time. At this meeting members elected their first Executive Council, consisting of a president, vice-president, secretary, treasurer, and parliamentarian.

Ms. Libbie McPhaul has been assigned by Dean Malpass, in addition to her other duties, to coordinate the Alumni Affairs Office.

Some of the goals for the association were discussed. A scholarship fund was set up and has been added to during the school year. Guidelines for the Association to follow concerning membership have been determined. The Association has two types of memberships available. Active and associate. Anyone having graduated from a curriculum program at CFTI is eligible for active membership. Completing one full quarter in a curriculum program would also make one eligible for active membership.

All those who have an interest in the growth of Cape Fear Technical Institute and are not eligible for active membership are encouraged to become associate members.

Members of the C.F.T.I. Chess Club take time out of their busy schedules to play a game or two of Chess with the Chess Club Advisor, Lad Bright.

First and second year students in Criminal Justice learn fingerprinting (left) and bomb scene investigation (right).

Two members of the club learn blood typing techniques during class meeting held in Lab. at Cape Fear Technical Institute.

CRIMINAL JUSTICE CLUB

PARALEGAL CLUB

Our purpose of the Paralegal club is to promote acceptance and a positive attitude of Paralegals within the legal community and to establish for our members better opportunities in the field of Paralegalism.

To establish our clubs opportunities in Paralegalism, we plan to take trips to offices, and courts. Our major goal is to see the court system in Washington, D.C.

To make our goals successful, we plan to set up services (house cleaning, car washes etc). Anything to raise funds and serve the community. We will also further establish the C.F.T.I. name in our own way.

Seated (L-R): Julie Wilkins, Vice President; Norman Miller, President.
Standing (L-R): Rachell Butcher, Parliamentarian; Ed Higgins, Advisor;
Emma Davis, Secretary.

Seated (L-R): Doris Lindley; Debbie Curry; Carolyn Wells.
Standing: Mark Kirshen.

Booked as the Faculty Four; Dr. Roger Averette, Dean Carl Malpass, Mr. Dale Buck and Mr. Charles Hunnicutt were accompanied on the piano by Ms. Libbie McPhaul as they entertained us by singing a few well-known Christmas Carols during the Annual Christmas Program.

Ms. Libbie McPhaul not only entertained us with piano music before and after our program but she also sang a duet with Ms. Deborah Hockenbury during the program.

Refreshments were served in the Cafeteria after the Annual Christmas program. The program this year was held at 12:00 noon on December 14. The last day of class in 1984.

SGA XMAS PROGRAM

Our own Santa (Mr. Bartlett) was a big treat with all the kiddies at the program.

RY CHRISTMAS

The Bulletin Board in the cafeteria looked especially nice for the holidays thanks to the work of Laura Croom and Ti Kutz.

Sunset Singers from Sunset Jr. High School in Wilmington, NC were one of the two groups who sang for us during the one hour program.

52 students from Acme-Delco Elementary School in Armour, NC traveled to CFTI to perform for us during our annual Christmas program.

Contestants, (pictured left to right), Kathy Dinkins, Pamela Drafts, Tammy Ellisor, Angelia Thompson, Germania Munn, and Debbie Carter, worked hard to perfect their dance number for the Pageant.

Junior Miss N.C. Spot Festival Queen, Crystal Rivenbark, performed her clogging routine during our Pageant.

Ms. Jo Thornton and Mr. Sandy Russell did an admirable job as co-hosts for the pageant, entertaining the audience during intermission with their banter and tall stories.

Judges for the competition were: (left to right), Ms. Libby McPhaul, Mr. William Crawford, Mr. Lad Bright, Ms. Sherry Batchler and Ms. Faye Hankins.

"Miss CFTI 1984-85", Angela Saucier is a student in the Practical Nursing Curriculum and expects to graduate in August 1985.

"1st Runner-up", Angelia Thompson is a 1st year student in Secretary Technology.

"2nd Runner-up", Germana Munn is a 1st year student in Business Administration.

At the SGA sponsored Halloween Festivities in the cafeteria contestants came in all their splendor; clowns-to-fairy princesses, Mr. "T"-to-Wendy witch. Can you guess who's hiding under those ghostly guises?

Mr. Pumpkin-man watched over all the festivities stationed at his post in the corner of the cafeteria.

Winning costumes in our contest were chosen by our four judges: .
 Mr. Bartlett
 Dr. Averette
 Ms. Lewis
 Mr. Crawford

The winners were:
 For BEST COSTUME, Dressed as a Witch — Ms. Annetta Curtis
 For SCARIEST COSTUME, Also dressed as a Witch — Ms. Ann Grady
 For WORST COSTUME, Dressed as Mr. "T" — Mr. Robert Palmer
 And for FUNNIEST COSTUME, Dressed as a Clown — Our own Ms. Jo Thornton

Dean Carl E. Malpass takes time out of a busy schedule to congratulate one of the winners of our Halloween costume competition.

The SGA Fall Hotdog Roast found faculty, staff and students alike enjoying the break from routine. Mr. Batts and others seriously contemplate what to put on their dogs.

Dean Carl Malpass discovered he was a pretty good chef when he was recruited to help with the cooking.

FALL HOTDOG ROAST

Elections Chairperson Greg Schwartz did a fantastic job during our fall elections this year. Becky Cahill was elected Vice President and Bob Hollis became our Treasurer.
